

Kosmidion Essen

Medical practice for people without documents

Englische Übersetzung

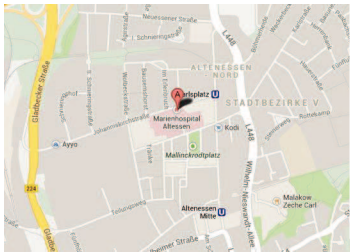

Offer

- | In our practice „Kosmidion“ we offer a medical attendance and emergency aid for people without health insurance coverage, primarily for those without residence permit.
- | In particular cases we communicate an advanced medical attendance in a hospital or at a medical specialist.
- | We provide information for further social support and make contact to appropriate organizations.
- | We protect you: You stay anonym. We do not need personal data and do not hand information of patients to anyone.
- | We are the Kosmas und Damian Kommunität (KoDaKo), a christian initiative. Our members make a contribution in medical and social help for people without documents and health insurance coverage for free
